introduction

Sewell Moorhouse recently carried out an in depth survey of salaries across the region. Data was gathered from telephone surveys with a cross section of businesses, together with information from both our candidates and our clients.

We constantly review the survey to help us advise clients effectively. If you need up to the minute information or a survey specifically tailored to your business's exact location, size and industry sector, please contact your nearest Sewell Moorhouse office and we'll be pleased to help.

the company

Established in 1997 and with offices in Leeds, Sheffield and Doncaster, Sewell Moorhouse is leading the way in financial recruitment in the region.

Partnership is integral to the way we work and it makes us good at what we do. Being successful is about understanding our clients' needs and our candidates' needs, equally. We're also proud of our reputation for honesty and fairness. It sets us apart in the world of recruitment.
